

ACTIVITY 1

Individual work !

1. Draw the DOM tree for the HTML code below :

```
<html>

  <head>
    <title>DOM Tutorial</title>
  </head>

  <body>
    <h1 id="lesson number">DOM Lesson one</h1>
    <p>Hello world!</p>
    <div id = "list">
      <ul>
        <li>
          <span class='element'>First element</span>
        </li>
        <li>
          <span class='element'>Second element</span>
        </li>
        <li>
          <span class='element'>Third element</span>
        </li>
      </ul>
    </div>
  </body>

</html>
```

2. Answer the questions :

How many children does the <h1> node have	
How many children does the <head> node have	
How many siblings does the first node have	
Who is the parent of the second node	
Who is the parent of the <u1> node	
Who is the first child of the <body> node	
How many children does the <body> node have	
How many siblings does the <u1> sibling have	
What is the root node does it have parents
